

COOKED with Justin Bonello selects VESUVIO as 4th Season olive oil!

The 4th season of the hugely successful cooking and lifestyle show COOKED is in post production with shooting star Justin Bonello – South Africa's Outdoor Cook. In this season, the charismatic amateur chef will present 13 top South African restaurants and their celebrated chefs while honing his skills under their expertise. He will then take them out to his kitchen, the great South African outdoors.

VESUVIO has been selected as the only olive oil to be featured in the new season! Exceptional quality is produced with the great pride and effort we put into the olive oil experience of our consumers.

13 episodes will be aired on BBC Lifestyle from 1 October 2010 every Friday at 8.25pm showing double episodes BBC is broadcast locally to almost one million DStv viewers in Africa and internationally to over 100 countries.

Justin Bonello has produced 4 seasons of the hugely successful cooking and lifestyle show *COOKED*, the first season of the *Getaway to Africa* travel series as well as the *Exploring the Vine* wine series. In addition, the first Justin Bonello cookbook entitled *Cooked In Africa* which is published by Penguin is momentarily at number 8 on the Exclusive Books bestseller list.
